S H I M M E R

We believe Crystals, iconic symbols of luxury and refinement, can take on a new modern face. The Shimmer collection steps up the fashion game with super glam shapes, dramatic architectural lines and textural accents made with Swarovski crystals. These stunning styles will command a second glance. It's refreshing to see a unique approach to sparkles and glitter that elevates the design to a confident high fashion look, moving the gesture away from delicate decorative frivolity. These stones rock... c'mon lets see you channel your inner rock star.

- OBE Injection Safety Screws

Materials

- Handmade premium acetate
- Embellished with crystals from Swarovski®

Shimmer 3

 VTO AVAILABLE

Philosophy

The use of Swarovski crystals creates textures and lines to the frame's arch, which makes the frame feel younger and more contemporary but still has a mature, dressed up look. The shape of this frame is incredibly flattering for all wearers. These frames present a modern way to construct metal, which allows a unique personality to dance between the lenses of this frame. Abnormal to metal frames, the piece encapsulates a bolder character.

Size

A 51 / B 38 / ED 52 / DBL 16 / TMPL 140

Colors

- 8095 - ROSE GOLD
- 8523 - BLACK

- OBE Flex Uno Spring hinge

Materials

- Titanium
- Handmade premium acetate
- Embellished with crystals from Swarovski®

Shimmer 4

 VTO AVAILABLE

Philosophy

This piece incorporates a playful balance of Swarovski crystals and glitter fabric inlaid in the brow corners. There is a unique combination between the frames' geometry and lines, which plays and adds a dimension that is only enhanced by the crystals and glitter. This deeper square shape and the geometric faceting on the edges complement each wearer's facial features.

Size

A 53 / B 39 / ED 54 / DBL 14 / TMPL 140

Colors

- 8037 - ROSE DEMI
- 8523 - BLACK
