

# SYCAMORE

 VTO AVAILABLE

## Philosophy

We wanted to explore the juxtaposition of a beefier thickness from the top view of the acetate and a thinner profile from the front view. The unexpected mixing of these two scales together creates a harmony that crescendos with a new-classic round eye shape. Notice the inspired tweaks and turns of the round eye rim makes the Sycamore infinitely wearable, which is often not the case with many round shapes. This style flatters and celebrates your good looks. Run your hands down the temples and feel the sense of mastery and craftsmanship that is sculpted out from that original block of acetate.

## Size

A 48 | B 43 | ED 49 | DBL 20 | TMPL 145

## Colors

- 8920 - Crystal Tortoise
- 8921 - Smokey Blue
- 8922 - Suede Fade

## Features

- OBE ISS locking screw
- Classic P3 shape
- Keyhole bridge
- 3 barrel hinge

## Materials

- Handmade premium acetate
